

Biorefinery pilot research

Francesco Gentili

Dept of Forest Biomaterials and Technology

SLU, Umeå

- ▶ We will have three meetings
- ▶ Piteå 27-29 of August (ETC, Sunpine?)
- ▶ Örnsköldsvik-Umeå 17-21 of September (Processum, MoDo, Torrefaction, algae pilot) Carl Kempe?
- ▶ Umeå 22-23 of October. Final meeting.
- ▶ We aim to have a group of 16 PhD students
- ▶ An important aspect is to promote the course to our network

Thank you!
