

BIO4ENERGY Researchers' Meeting

Umeå University Campus Umeå, 15-16 May 2013
Natural Sciences' Building, Room 332

Day 1 - 15 May - Bio4Energy Collaborations

- 12:00-13:00 Lunch at Restaurant 'Lingonet', 2nd floor, Universum building, Umeå University
- 13:00-13:10 *Welcome to the Bio4Energy Spring 2013 Researchers' Meeting - B4E strategy and collaborations: Can we do more to attract the interest of industry?* - Stellan Marklund, Bio4Energy programme manager
- Bio4Energy Collaborations:** Presentations by the B4E platform leaders
- 13:15-13:30 Bio4Energy Feedstock Platform - Björn Sundberg
- 13:40-13:55 Bio4Energy Pretreatment and Fractionation Platform - Anders Nordin and Torbjörn Lestander
- 14:05-14:20 Bio4Energy Biochemical Platform - Leif Jönsson
- 14:30-14:50 Bio4Energy Thermochemical Platform - Rikard Gebart
- 15:00-15:45 Refreshments
- 15:45-16:00 Bio4Energy Catalysis and Separation Platform - Jonas Hedlund
- 16:10-16:25 Bio4Energy Process Integration Platform - Andrea Toffolo
- 16:35-16:50 Bio4Energy Environmental Platform - Stellan Marklund
- 17:00 End of Day 1 presentations
- 17:30 Dinner at Chemistry Staff Room, KBC Building, Umeå University - *Joint event with the Bio4Energy Graduate School* - with remarks by Sylvia Larsson, Coordinator of the B4E Biorefinery Pilot Research course

Day 2 - 16 May - Bio4Energy Research & Development

- 09:00-09:20 Bio4Energy Collaborations: Summary and conclusions - Stellan Marklund and Marcus Öhman, Bio4Energy programme manager and vice programme manager, respectively
- 09:30-09:50 **Reinforcement of the Bio4Energy Biochemical Platform:** *A new professor in Bio4Energy* - Paul Christakopoulos, Bio4Energy Biochemical Platform
- 10:00-10:20 Energy Technology Centre at Piteå: *New CEO, updated research and development agenda* - Magnus Marklund - Bio4Energy Thermochemical Platform
- 10:20-10:50 Refreshments
- 10:50-11:05 The Forest Chemistry Project: *Could Swedish chemical industry turn to woody raw materials for making plastics and further products?* - David Blomberg
- 11:15-11:30 **Industry-Academy Collaboration Did the Trick:** *Torrefaction demonstration facilities to open at Umeå* - Anders Nordin, Bio4Energy Pretreatment and Fractionation Platform
- 11:35-11:55 **Fishing for International Collaborations:** *The ultimate B4E-SP U.S. tour* - Sune Wännström, SP Technical Research Institute of Sweden; Torbjörn Lestander, Bio4Energy Pretreatment and Fractionation Platform and; Stellan Marklund, Bio4Energy programme manager
- 12:05-12:15 Summary of Day 2 and Closing Remarks - Stellan Marklund and Marcus Öhman, Bio4Energy programme manager and vice programme manager, respectively
- 12:30 Lunch at Restaurant 'Lingonet', 2nd floor, Universum Building, Umeå University
